

## Group Visit Guidelines

We are delighted that you will be visiting the Vancouver Art Gallery. Please review the following guidelines before your visit:

- It is essential to prepare your group for their visit using the Teacher's Study Guide available on the [website](#).
- Check in at the Admissions Desk located in the Lobby.
- Lockers are available in the Lobby for students' belongings.
- Chaperones must always accompany students.
- There is underground parking nearby in the Robson Square Provincial parking lot at Howe and Nelson street (follow underground signs to blue UBC area) or in the parkade at Howe and Georgia street. The best SkyTrain stops are Granville or Burrard, and City Centre for the Canada Line.
